Commissioner:

As requested, enclosed are copies of the declaration and the patent application transmittal sheets that were mailed to the Patent Office on May 20, 1998 in the above-referenced patent application. The declaration was originally submitted in application No. 08/778,610, filed January 6, 1997, which is the parent application of this divisional application. Also enclosed are copies of the filing receipt received from the Office on June 10, 1998, the first page of the application (which includes a "Cross-reference to Related Applications" section), and the Notice of Allowability mailed on October 12, 1999.

As discussed, you indicated in paragraph 3 of the Notice of Allowability that the declaration was defective and that a substitute oath or declaration was required. Applicant respectfully requests that you reconsider your conclusion that the declaration is defective, and that Supplemental Notice of Allowance be issued removing the requirement for a substitute oath or declaration.

Respectfully submitted,
